If you ordered the ½ oz sizing or larger, your order includes:

- TCA solution
- Latex gloves — enough for 2-3 peels, along with our lactic acid peel, along with our Green Tea/Pomegranate Cleanser
- Vaseline Petroleum Jelly, an antibiotic cream used for pre-peel cleansing.
- Dry the skin completely after the peel. Use a soft pillowcase.
- Avoid using makeup while you are peeling.

Questions and Answers

**How do you recommend using only 1 layer of TCA with the first peel?**

- It’s a protective barrier to your skin that is about to take place, or is taking place. If you experience undue irritation, burning, then switch to your anti-itch cream. If you begin to feel itching, then switch to your anti-itch cream…...

**Can I go swimming in chlorine water or ocean water?**
